RE My Eighth Amendment and conflict of Intrise.

I want to also said sorry for writing to much is that I am not getting no where with these People they are not answering any of my letter they still are keeping me in the hole, Now I know its because of the law sue, They are putting me thour mentally & physically stress.

In the hole the lighth's stay on from 8:00 Am to 12:00^{Am} they put handcuffs more than they do now, why I dont know, but the other thin's are that we come out for one hour, monday, wednesday, friday, no hair cuts in almost 3 month I did not ask to be put on P/C and is it righth for someone in my condition to be put in these situation, and they also stop all is that righth or cruel and unusual punishment, also my schooling has stop that was and will still be my Gold to get my G-E-D.

This Jail is not righth, can your court order me out of here, one its conflict of Intrise because of the law sue. Please Help me with this its wrong what they are doing to me because of the law sue. I want to also Thank you.

God Bless you

I write to you because of all that they are doing in 1E at PM shift they put the handcuffs just to take our trash out to do window & bar I know the team do this, but the 40's are doing more than its call for they leave the light on from 8:00^{AM} to 12:00^{AM} is that right for someone like me to be put thour this? I am sick and are made to get up all the time can you see why they are doing this to us all? at night time

Thank you
